# GREEN MOUNTAIN POKER RUN

Best Hand  
WINS!

Join the **Vermont Aviators Association** for the  
**2026 Green Mountain Poker Run**—a thrilling  
aviation adventure across Vermont!

## Starting Location:

Rutland–Southern Vermont Regional Airport (KRUT). Join the **Vermont Aviators Association** for the 2026 Green Mountain Poker Run and spend the day flying across Vermont, visiting some great airports, meeting fellow aviators, and competing for locally donated prizes!

**Start your day at KRUT with a light breakfast**, coffee, and a chance to meet up with fellow pilots before beginning your Poker Run.

## Flexible Start – 10am to 12pm

There is **no need for everyone to arrive or depart at the same time!** To help minimize congestion and keep traffic flowing safely, pilots may begin the Poker Run **anytime between 10am and 12pm**.

When you're ready to go, collect your **first playing card at KRUT** and set off on a scenic flight across Vermont, collecting another card at each stop along the way:

## The Route

### 1. Rutland–Southern Vermont Regional Airport (KRUT)

Enjoy a light breakfast and collect your first card

### 2. Edward F. Knapp State Airport (KMPV)

Montpelier – Collect your second card

### 3. Caledonia County Airport (KCDA)

Collect your third card

### 4. Northeast Kingdom Int'l Airport (KEFK)

Collect your fourth card

### 5. Morrisville–Stowe State Airport (KMWL)

Finish the run and collect your fifth and final card

## Best Hand Wins!

Once you've collected all five cards, finish the day with us at **Morrisville–Stowe State Airport (KMWL)**, where we'll compare hands and award prizes.

Prizes will be donated by local Vermont businesses and organizations, giving participants a chance to take home some great prizes while supporting the businesses and organizations that support Vermont aviation.

Bring your **plane**, your **poker face**, and your **sense of adventure** for a great day of flying across Vermont!

## Grand Finale

802 Soups and ice cream.

All **proceeds** from the **Green Mountain Poker Run** support **aviation programs** and **opportunities in Vermont**.

# Rutland Regional KRUT

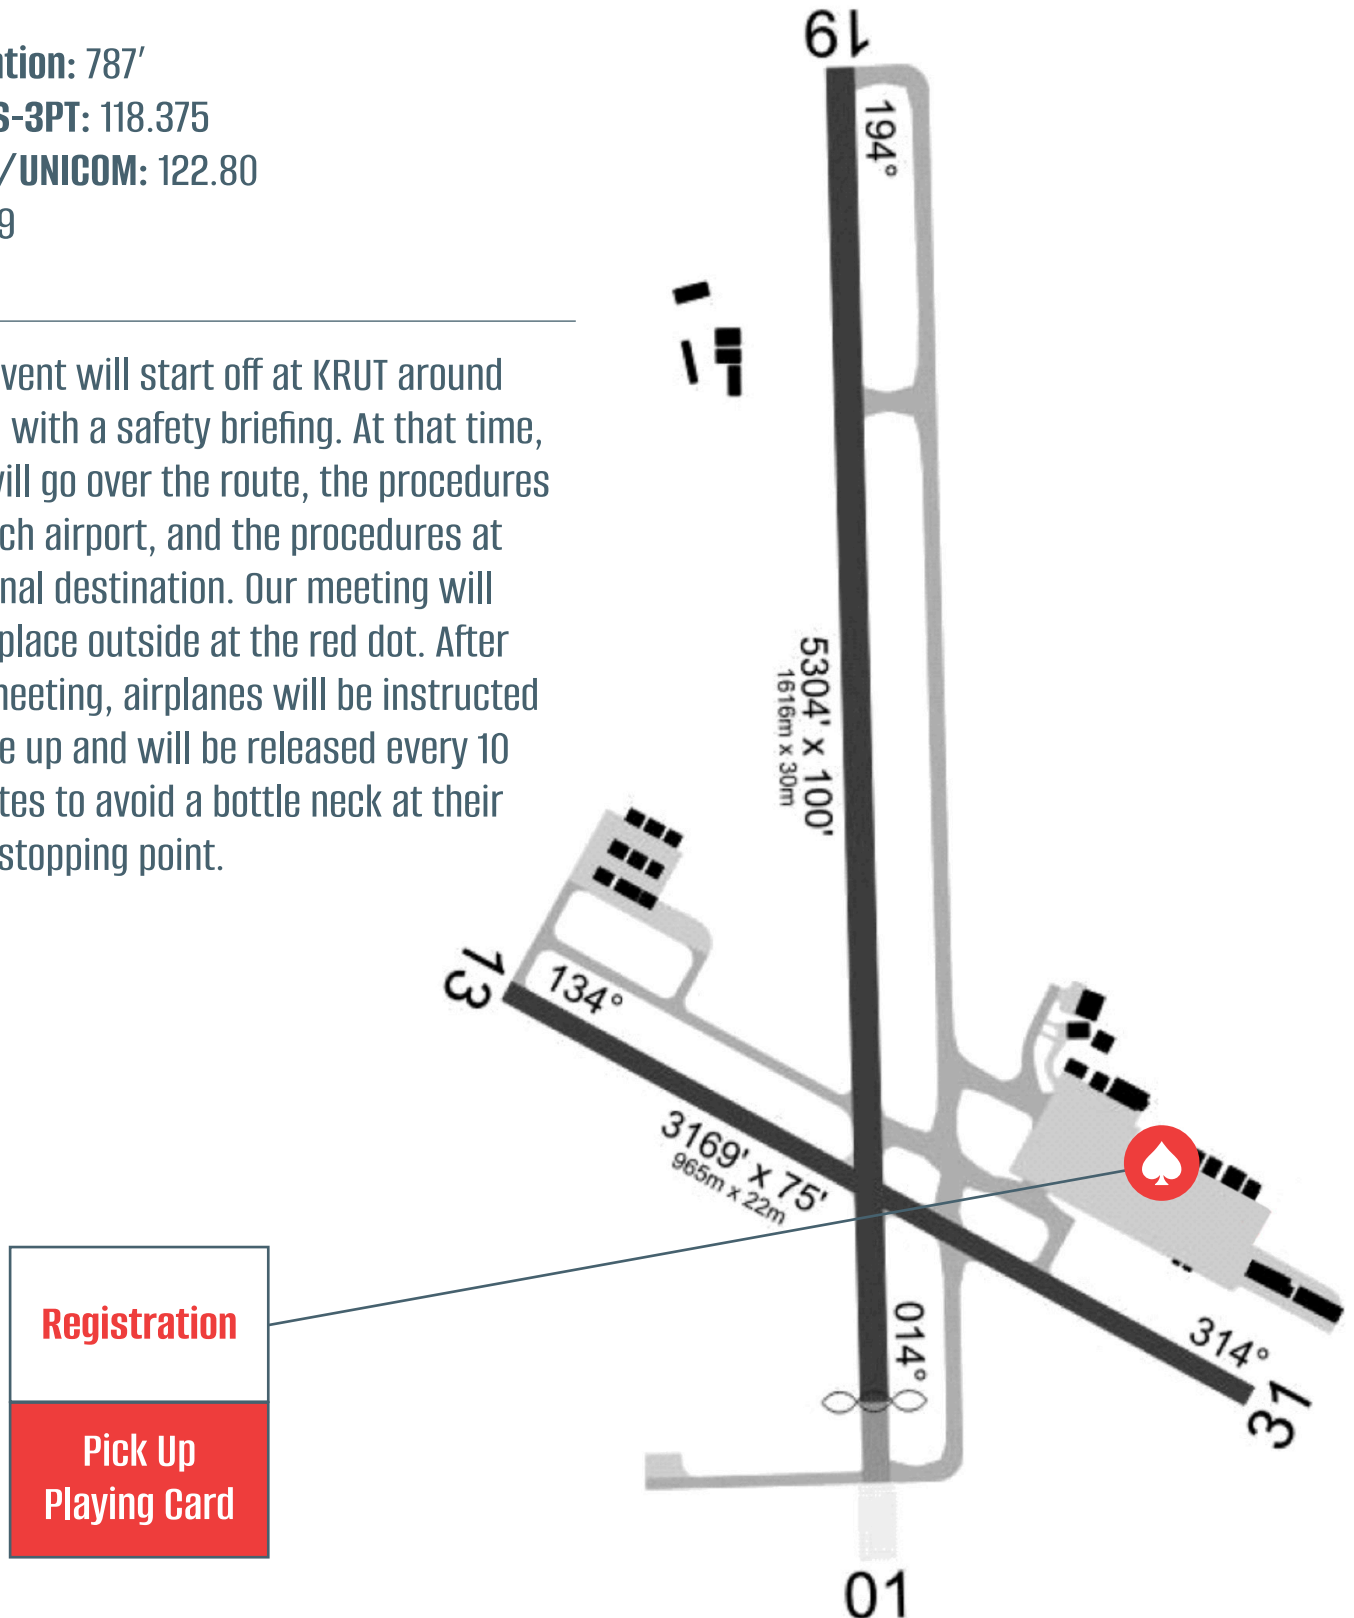

Elevation: 787'

AWOS-3PT: 118.375

CTAF/UNICOM: 122.80

RP: 19

The event will start off at KRUT around 10am with a safety briefing. At that time, we will go over the route, the procedures at each airport, and the procedures at the final destination. Our meeting will take place outside at the red dot. After the meeting, airplanes will be instructed to line up and will be released every 10 minutes to avoid a bottle neck at their next stopping point.

# Edward F. Knapp KMPV

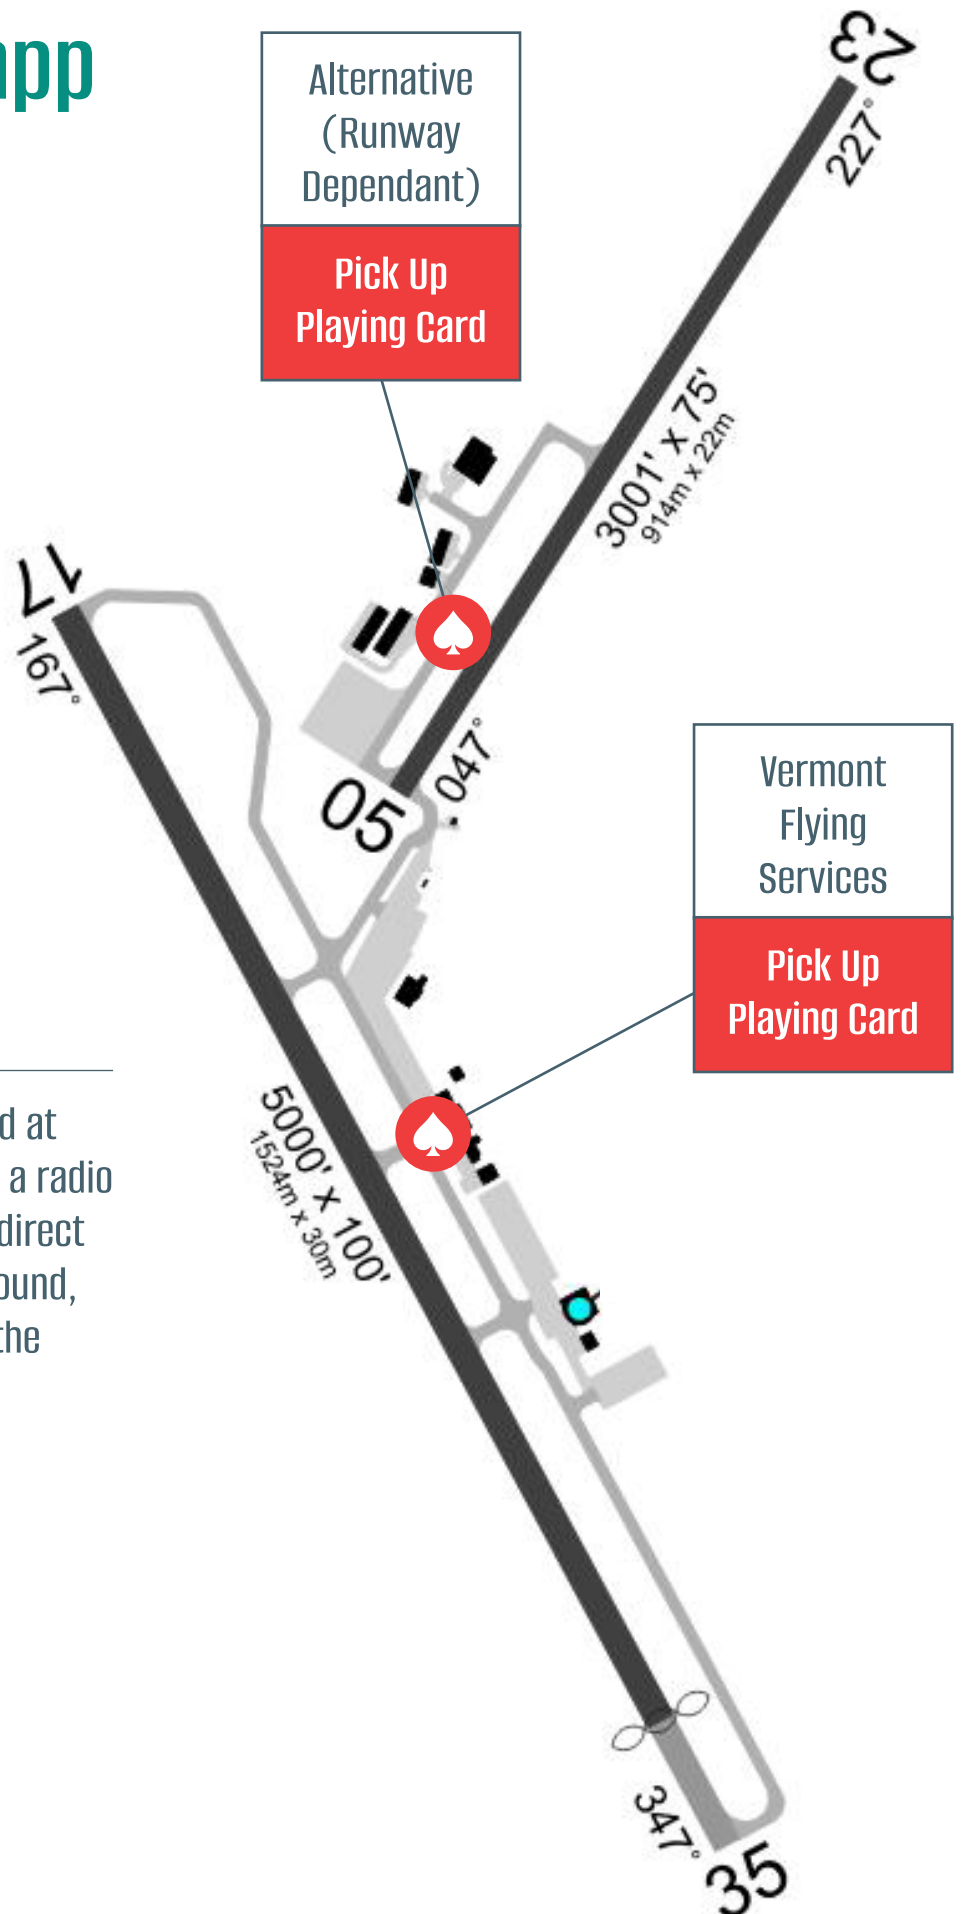

Elevation: 787'

AWOS-3: 118.375

CTAF/UNICOM: 122.80

---

A volunteer will be on the ground at Edward F. Knapp. They will have a radio and will be able to monitor and direct incoming traffic. Once on the ground, the volunteer will direct you to the next airport.

# Caledonia County KCDA

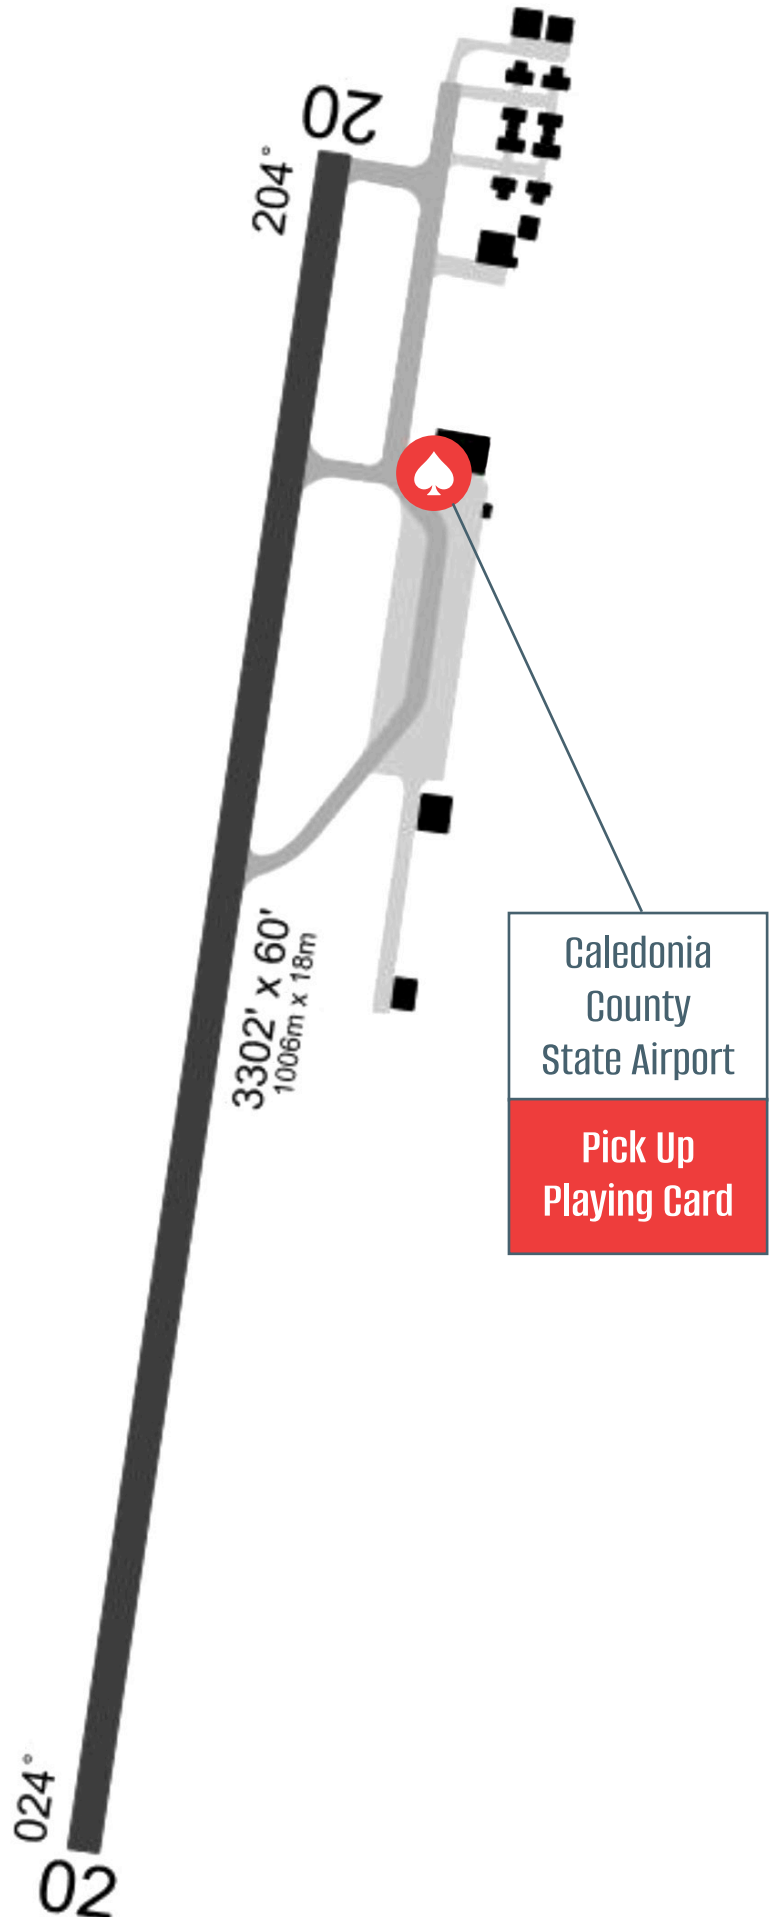

**Elevation:** 1188'

**AWOS-3:** 119.275

**CTAF/UNICOM:** 122.80

---

A volunteer will be on the ground at Caledonia County. They will have a radio and will be able to monitor and direct incoming traffic. Once on the ground, the volunteer will direct you to the next airport.

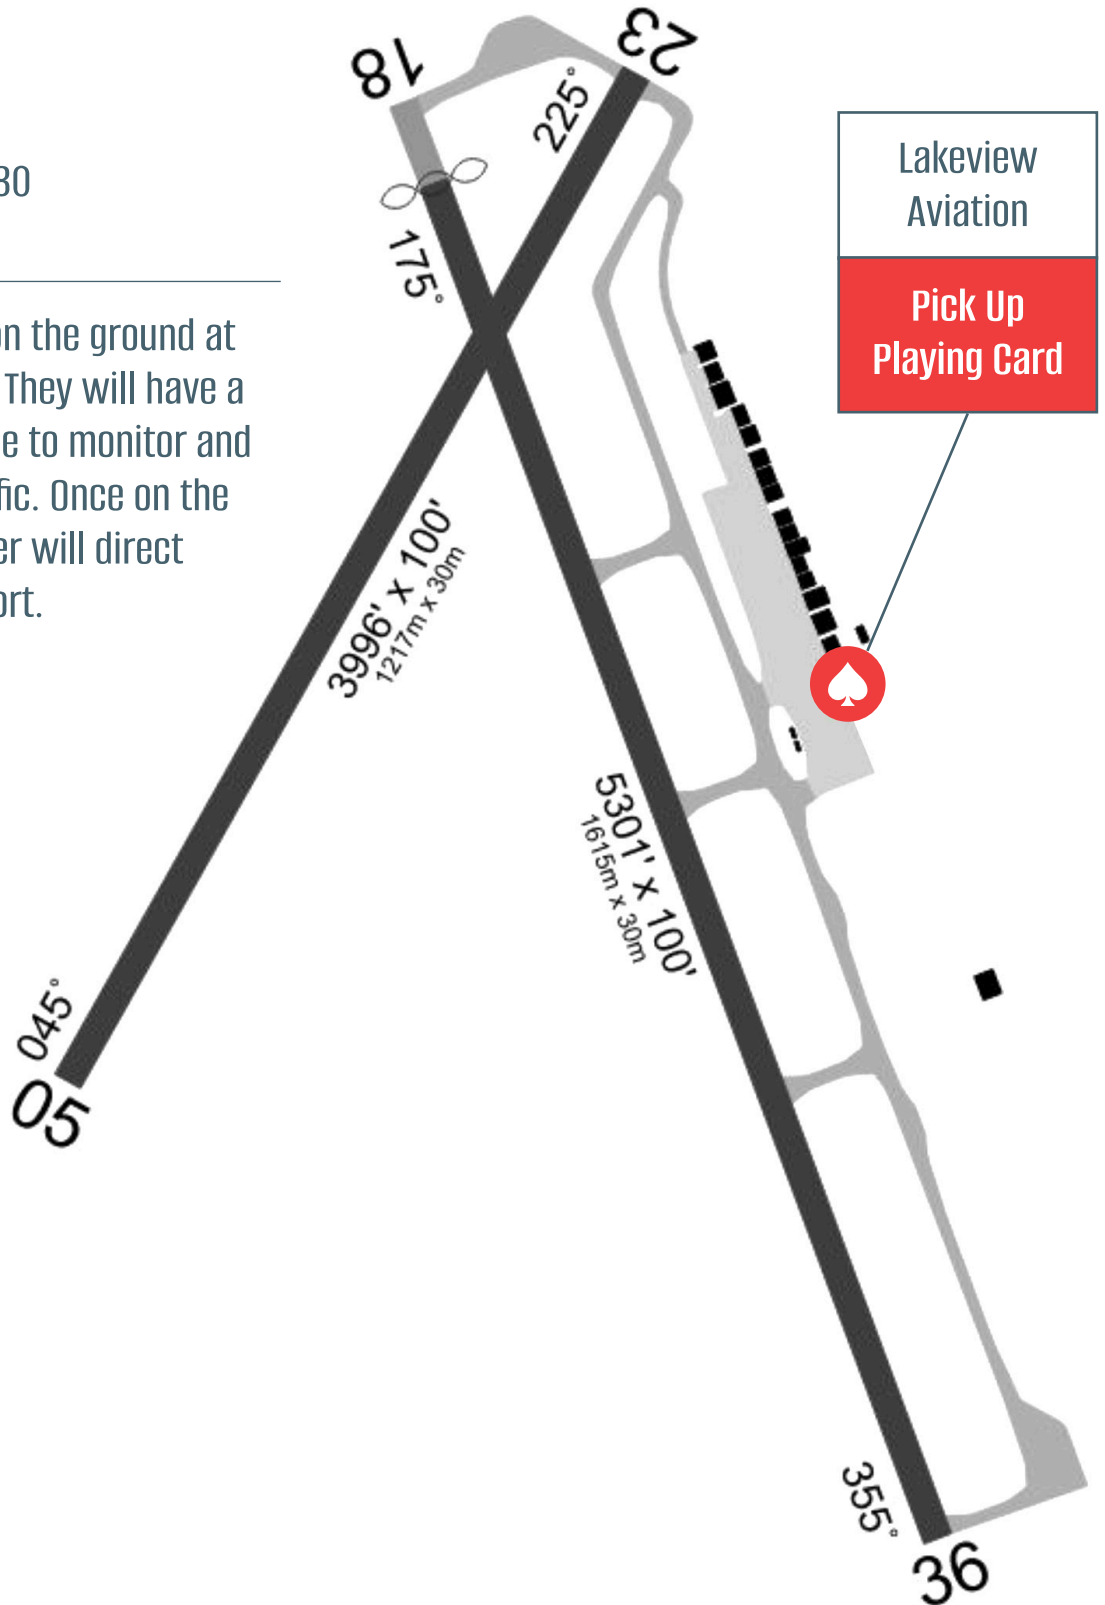

# Northeast Kingdom KEFK

Elevation: 934'

AWOS-3P: 118.275

CTAF/UNICOM: 122.80

A volunteer will be on the ground at Northeast Kingdom. They will have a radio and will be able to monitor and direct incoming traffic. Once on the ground, the volunteer will direct you to the next airport.

# Morrisville-Stowe KMVL

**Elevation:** 733'

**AWOS-3:** 135.625

**CTAF/UNICOM:** 122.80

---

A volunteer will be on the ground at Morrisville-Stowe. They will have a radio and will be able to monitor and direct incoming traffic. Once on the ground, the volunteer will direct you to the tie downs.
